

Established in 1978, the Black Faculty & Staff Council (BFSC) of IUPUI has been an integral part of our University and local Indianapolis community.

Our Purpose:

- ◆ Provide leadership in addressing issues that are of vital concern to the IUPUI African-American campus Community
- ◆ Encourage collaboration and strive to develop community interaction within the larger Indianapolis Community
- ◆ Promote the professional and educational attainment, as well as research opportunities - for the development of the IUPUI African-American faculty, staff, and students
- ◆ Support African-American students in their academic endeavors

It is our honor to bring the Community such diverse events as Brunch with the Chancellor, Black Student Welcome Back Social and Resource Fair , and Indiana's largest cultural event that celebrates the academic achievements of African-American IUPUI Graduates -

Celebration of Black Graduates.
